In this quarter at RUNWAY we launched RUNWAYCOIN and crypto and fashion officially came together. We are proud to announce our new form of currency mainly for use in our app is being minded and has been steadily sold since conception. The art behind the technology as always is breath taking. This seasons color stunned the market just like the coin. Check out the great interviews, stole the Runway and take in the glamour or our talented artist spreads.

We are about to relaunch RUNWAY LUX now partnered with Google Fire chat and Google maps to give you the best geolocation talent appointments on the globe. Remember you can book one of our amazing Runway talent anywhere in LA simply by going on the app.

Download our app free on the stores using keyword RUNWAY LUX.

Thank you again!

Vincent Midnight

# RUNWAYcoin

## A Utility Cryptocurrency

Why invest in security coins when  
RUNWAY Coin is the labor currency of the future.

THE FUTURE

**RUNWAYCOIN** is simple to understand, simply buy the coin in the ICO and when the app wallets go live contact customer support and we will activate your coins so you can use them for services of your choice. Depending on our talent rates our users can use the coins to pay RUNWAY talent. You basically prepaying for your hair cut or makeup or whatever of the other 10 services you like. The miners back it up by sending their staff out to do the work.

**RUNWAY NEWS (APRIL 17th, 2018):** Google signs FireChat deal with RUNWAY which will allows for the integration of Firechat into the LUX platform for user and talent to communicate in a encrypted stream. RUNWAY's engineering team is expecting the new LUX app to to go out around the 1st of MAy 2018. This will be the second contract with Google including the deal with Google Maps to provide access to satellites around the planet.

**RUNWAY NEWS (MAY 4th, 2018):** RUNWAYCOIN was presented today to a multitude of investors in Hollywood California today. The event was hosted by international investor David Safron and it was glamorous. A full bar, chefs from around the world and art from everywhere was enjoyed as a handful of engineers showed off their new technology.

PURCHASE

Companies come and go all the time. RUNWAY is 20 years old this summer and its been in international newsstand circulation and audited since 2007. RUNWAY TV has been on the air since 2014 and now is on APPLE TV, ROKU and GOOGLE TV apps worldwide. Plus RUNWAY offers

RunwayCoin - Posts

Facebook interface showing the RunwayCoin page. The page header includes the RunwayCoin logo (a red circle with a white 'R' and a vertical line) and the name 'RunwayCoin' with the handle '@runwaycoin'. The page is set to 'Public' and has a 'Send Message' button.

The main content area displays a post from RunwayCoin dated March 12, 2019. The post features a large red image with the text 'The RWC API is now available.' Below the image are interaction buttons: Like, Comment, and Share.

Below the main post, there are two more posts from RunwayCoin. The first post, dated March 4, 2019, says: 'Thank you David Saffron for all your help with runway develop , from coin to API . We launch soon, again thanks to David . Stay tuned!' It has 1 like. The second post, dated January 13, 2019, is partially visible and shows a large image with the RunwayCoin logo and the text 'RUNWAY COIN' and 'www.runwaycoin.org'.

The right sidebar contains a search bar for posts on the page, a 'Visitor Posts' section with a 'Create Post' button, and a language selection menu with options: English (US), Español, Português (Brasil), Français (France), and Deutsch. At the bottom of the sidebar are links for Privacy, Terms, Advertising, Ad Choices, Cookies, and More, along with the Facebook copyright notice 'Facebook © 2020'.

 RunwayCoin

January 25 ·

Runway coin is a minimum value crypto with 3 users. It's an experiment in linear crypto , showing all coins are based on human value. First thing learned is do not trust India on any tech jobs, you will eventually have to start over like us. Let's see if round 2 shows humans from first world countries have ethnicity values unlike India.
